Senator Gobi Announces MassWorks Grant for New Braintree

BOSTON – State Senator Anne M. Gobi (D-Spencer) announced today that the Town of New Braintree is the recipient of a MassWorks grant in the amount of \$768,000.

The grant funds will be used to replace and repave heavily deteriorated roads in New Braintree. Senator Gobi and Representative Berthiaume advocated for the acceptance of the application.

“I was happy to work with Representative Berthiaume to advocate for these funds,” said Senator Gobi. “Many of the roads in New Braintree are in great need of repaving and smoother roads means smaller mechanic bills for drivers.”

MassWorks Infrastructure Program is a competitive grant program run by the Executive Office of Housing and Economic Development (EOHED) that annually awards funding for projects statewide. Municipalities who are looking to obtain funding for public infrastructure projects that will support economic development and job creation are encouraged to apply.

For more information on the MassWorks grant and the application process visit mass.gov/hed.
