MASSRECYCLE RECOGNIZES REP. GOBI AT ANNUAL RECYCLING AWARDS

Worcester, MA – MassRecycle recognized Representative Anne M. Gobi (D-Spencer), with their Public Servant Award as part of their 18th annual Recycling Awards, held at the Hanover Theater, Worcester.

MassRecycle is a statewide coalition of individuals, municipalities, businesses, and institutions dedicated to increasing waste reduction and diversion in the Commonwealth and to realizing the environmental, social, job creation and economic benefits that result from recycling and purchasing recycled products.

As House Chair to the Joint Committee on Environment, Natural Resources and Agriculture, Rep. Gobi has made recycling a top priority in the Commonwealth to reduce solid waste, to protect the environment, to reduce greenhouse gas emissions, to save money and landfill space, and to create jobs in Massachusetts.

“I am honored to be a part of MassRecycle’s 18th annual award ceremony, which demonstrates the organization’s long commitment to promoting public health and cleaning up the environment in Massachusetts through waste reduction and education programs,” said Rep. Gobi, “I have been proud to collaborate with MassRecycle on these important issues, and working together has allowed the Joint Committee on Environment, Natural Resources and Agriculture to make some major environmental and economic strides in these areas.”

During the ceremony, MassRecycle also recognized award winners for great recycling, organics and waste reduction programs in categories including municipalities, K-12 schools, colleges, reuse organizations and businesses.
