Legislators Announce CPSS Grant for Quaboag Public Schools

BOSTON – Senator Anne M. Gobi (D-Spencer), Representative Todd M. Smola (R-Warren), and Representative Donald R. Berthiaume, Jr. (R-Spencer) are pleased to announce that the Quaboag Regional School District has been awarded funding through the Academic Support Collaborative Partnerships for Student Success (CPSS) Grant. Quaboag will receive \$17,100 for fiscal year 2015-2016. This state-funded competitive grant program is designed to help students transition into the early high school years. CPSS resources can be used in a variety of ways but a majority of funds must be used to extend student learning time.

“I want to congratulate the Quaboag School District on being awarded this grant,” said **Senator Gobi**. “Student success has always been their top priority and I am confident these funds will be put to good use.”

“Quaboag continues to make tremendous progress,” said **Representative Smola**. “The school system continues to place academic success at the top of their agenda and this grant award reflects that commitment. This is great news for our students and I would like to congratulate the administration for securing this competitive funding.”

“The Quaboag Regional School District has continually demonstrated excellence in academics,” said **Representative Berthiaume**. “This grant will only help to further the district’s commitment to their students.”

The Partnerships for Student Success grant program is administered by the Massachusetts Department of Elementary and Secondary Education.
