

# Crumbling Foundation Survey

Please fill out the following form if your home was built between the years 1983-2010 and you believe that the foundation/basement walls may be deteriorating as a result of pyrrhotite in the concrete mixture.

1) Date the home was built

\_\_\_\_\_  
Ex. December 15, 2012

2) Date you purchased the home

\_\_\_\_\_  
Ex. December 15, 2012

3) Please describe the problem you are having

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

4) When did the problem begin?

\_\_\_\_\_

5) Date(s) of repairs to the foundation or basement walls

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

6) Have you had any testing done to identify the cause of the problem, or received an opinion from an expert as to the cause?

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

7) Would you like to be contacted by our office on this issue? Please mark one.

Yes

No

8) If you answered 'Yes' to the question above, please list your contact information below.  
Note that any contact information shared will remain private and confidential.
